

Three Fred English photo award winners!

Quality capture of so many long-lasting memories

RUSSELL ROLLS (VIC),
SHRF CHAIRMAN OF TRUSTEES

Fred English (VIC and NSW) has, for over 50 years, been an inveterate photographer of Club events – both cars and people. Fred has donated copies of his entire photographic archive of more than 20,000 images to the Foundation. This is a particularly valuable

archive for researchers.

To encourage Members to record Club activities, Fred supports the Foundation by funding the annual Photography Award.

We congratulate Greg Coombes, (QLD), for his winning entry. Greg was presented with the award, a cheque for

\$500, at this year's Federal Rally. The judges felt that the photos entered by David Prince (SA) and Nancy Axe (NSW), were close runners-up. David and Nancy were each awarded a \$50 cheque in recognition of their depictions of the spirit of the Club. ■
